

Early in the morning in late 2007 Sandy asked me a question that would turn our lives upside-down. "Jeremiah, have you ever considered planting a church?"

Over three years later the answer is a resounding, "Yes!" More than that, God has given us a truly unique opportunity in Orlando, FL. I have been invited to apprentice under Chan Kilgore at **CrossPointe Church**. Pastor Chan is the regional director of Acts 29 Network in Florida and has faithfully apprenticed fifteen church planters prior to myself.

This apprenticeship was arranged by the **New Wave Network**. The New Wave Network is an initiative within the Reformed Church in America to plant twenty churches in the next ten years in Florida. Five churches are being

planted at the same time, beginning this summer. Sandy and I will then join these churches following my apprenticeship.

We will use this next year to be equipped, to begin to practice hospitality and discipleship, and to seek a location and core team for church plant ministry.

We are making the move to Florida in the middle of June. We have begun putting our belongings in boxes and have begun to wrap up ministry in Sheboygan Falls, but that doesn't mean we are ready to go.

We would like to share our needs with you.

- We are seeking 30 families and individuals who would be willing to join us as our **core prayer team** in the years to come.
- We need to raise about \$45,000 during the course of the apprenticeship.
- After the apprenticeship is completed we will need to raise 100% of our family's salary for the first year of church planting ministry.

ABOUT the FYFFE FAMILY

Sandy and Jeremiah met at Taylor University in Indiana and were married March 22, 1998. God brought us together through love and we have understood our purpose together to make the love between Christ and the church known to our children and a watching world.

We have four children. Elijah (9), Titus (7), Solomon (5), Eliana (3). God has uniquely prepared our family for church planting ministry.
